

Dependent Documentation Requirements

If you're making changes to your dependent coverage for 2016 to your company-provided HMO plan, you need to submit dependent documentation, **if**:

- You're adding a new dependent in 2016 that you did not cover in 2015

Providing this information is required. We need your dependents full name and birth date to help confirm eligibility and ensure they are covered accordingly. (*Documentation isn't required for the Voluntary Dependent Plan.*)

Submit all HMO-required dependent documentation by Nov. 20, 2015, via ASK Now or your new dependents will not have coverage for 2016. To submit, go to <https://asknow.service-now.com/asknow/>, create a ticket with the title **AE Dependent Documentation** and attach your documents. See the list below of required documentation for your dependents.

Required Documentation:

If you need to request copies of your documents from the National Statistics Office (NSO) or Local Civil Registrar (LCR), please do so as soon as possible to avoid a delay in coverage. Documents must be submitted by Nov. 20, 2015 for newly added dependents. Late submissions will not be accepted.

For Single Employees

If siblings will be enrolled

- Scanned copy of NSO/LCR birth certificate

For Single Parent Employees

If legal child/ren will be enrolled
